FALL FESTIVAL ON PONCE

October 17 to 18

Enjoy the fifth-annual festival in Olmsted Linear Park as it's transformed into an art gallery with the fall foliage as the backdrop. Visit with local and regional artists as you wander through the 125 displays set up in the park. In addition to the art, visitors can enjoy local food trucks, beverages, acoustic musical performances and an area for kids. For more information, visit festivalonponce.com.
